The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

**AUTHORIZE ACCEPTANCE OF A U.S. DEPARTMENT OF HOMELAND SECURITY,
OFFICE FOR DOMESTIC PREPAREDNESS GRANT AWARD AND APPROVE AN
APPROPRIATION ADJUSTMENT
(ALL DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff of Los Angeles County, as an agent for the County, to accept a grant award from the U.S. Department of Homeland Security, Office for Domestic Preparedness (ODP), in the sum of \$400,000, with no local match required, to pilot a Terrorism Early Warning (TEW) Resource Center and a supporting research library. This authorization includes any subsequent amendments, modifications, extensions, and augmentations pertaining to said grant award.
2. Approve an appropriation adjustment in the amount of \$400,000 to permit the Sheriff's Department to expend the awarded funds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The U.S. Department of Homeland Security, ODP, has reports and demonstration efforts that have shown the critical importance of intelligence gathering and regional information sharing in relation to terrorism. ODP requested the Sheriff's Department to

A Tradition of Service

submit a grant application to pilot a project that demonstrates the essential elements of TEW operations. In May 2004, a grant application, requesting \$400,000 in funding, was submitted to ODP, and in August 2004, grant award notification was received. This project will serve as an example for potential replication by Urban Area Security Initiative (UASI) sites, illustrating how TEWs enhance and strengthen multi-jurisdictional information sharing to prevent terrorist acts and to facilitate emergency preparedness.

The Sheriff's Department operates a highly successful TEW operation and is an excellent example of a multi-jurisdictional information sharing project. The funding will allow the Sheriff's Department's Emergency Operations Bureau (EOB) to establish a TEW Resource Center and a supporting research library. This Resource Center will help ensure jurisdictions have the guidance and educational resources to implement their own TEW operation and incorporate it into a national network. The Resource Center will exist as a physical location to house the staff and educational resources as well as serving as a location to host visiting jurisdictions participating in ODP's TEW pilot project.

Implementation of Strategic Plan

The grant program conforms to the Los Angeles County's Strategic Plan. Specifically, with the support of this funding source, the Department will be able to realize the achievement of Goal #3: Organization Effectiveness through collaboration across jurisdictional boundaries by providing resources for planning and responding to acts of terrorism.

FISCAL IMPACT/FINANCING

The U.S. Department of Homeland Security, ODP, will fund 100% of a Lieutenant position and an Operations Assistant II position, in the sum of \$400,000, with no local match required. The Lieutenant will provide project oversight and be the liaison between the Los Angeles TEW and other jurisdictions establishing TEWs nationwide. The Lieutenant will also provide training and conduct workshops. The Operations Assistant II will handle administrative issues, coordinate visit arrangements, and perform related support duties. Funding will also be utilized to pay for travel, equipment, periodicals, consultant fees, overtime, and a contract to deliver an information technology system and supporting software.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The grant award is for the period of August 1, 2004, to July 31, 2005. The award documents have been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The funding will have a positive impact on current services especially within the Department's EOB. This funding will afford EOB the opportunity to enhance multi-jurisdictional information sharing by providing guidance and educational resources in relation to terrorism.

CONCLUSION

Upon the Board's action, the Sheriff's Department needs to obtain four (4) individually certified copies of the Board-adopted letter. The Sheriff's Department's contacts for the requested Board action are Karen Anderson, Grants Manager, at (323) 526-5408 or Michelle Day, Grants Coordinator, at (323) 526-5212.

Sincerely,
